3. The Group had through its Qatar Branch entered into a sub-contract along with a consortium partner with a Main Contractor in the year 2010. The Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client closer to the completion of the contract in 2014 citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor for which the final award is pending. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of such termination of the Main contract and cessation of work and accounted for all probable losses on the sub-contract in the earlier years.
- The Group had issued bank guarantees amounting to ₹ 390 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability over the years. In June 2023, the Group was intimated of a request received by the Bank from the Main Contractor for encashment of the said bank guarantees, which due to certain deficiencies was not paid by the Bank to the Main Contractor which led to commencement of legal proceedings. The matter is currently sub-judice and the proceedings are currently ongoing between the Main contractor, the Group and the Bank. As the latest development, all the parties including the Group had filed their respective appeals with the Court of Appeal (Qatar) which has remanded the case matter back to the Court appointed experts to review the objections raised by the respective parties including the bank. The bank guarantee continues to remain unencashed. The Group continues to re-assess its liability under the sub contract at each reporting date and based on such assessment and legal advice obtained from independent counsel, is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise.
